

Our Idea of Small Cap Companies,

Isn't Small

To all the principal's, directors, insiders and the individual investors. If Small Cap Stocks are your "thing", we may just be the thing for you. For Small Cap NASDAQ & OTC companies and share holders who want to un-lock cash now, our Lending Solutions for Wealth Management program may be just what you've been looking for. From traditional stock loans to monetizing restricted shares, Global Capital Partners may have *the* fit right for you. In other words, you get cash liquidity now while still maintaining beneficial ownership in your shares... It's like being in and out of the market at the same time. The LSWM plan offers very low interest rates, great terms, easy access and best of all, no margin calls!

Find out today how much you may qualify for. If you want cash liquidity now, without all the red tape, we are the only company to call.
